

## Text-to-Pay with

# 1stMILE Pay

Text - Pay - Done

Your customers can now pay via text with 1stMILE. Not only is it convenient, it's essential in a time of social distancing.

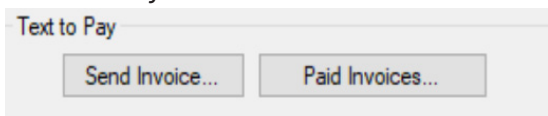

1-866-354-3490

## Allow Your Customers to Pay Anytime, Anywhere with 1stMILE Pay

With 1stMILE Pay, customers can pay for their repairs directly from their device. Just hit a button to send them an invoice, they get a text to pay, and you close it out in your point-of-sale. It's that easy.

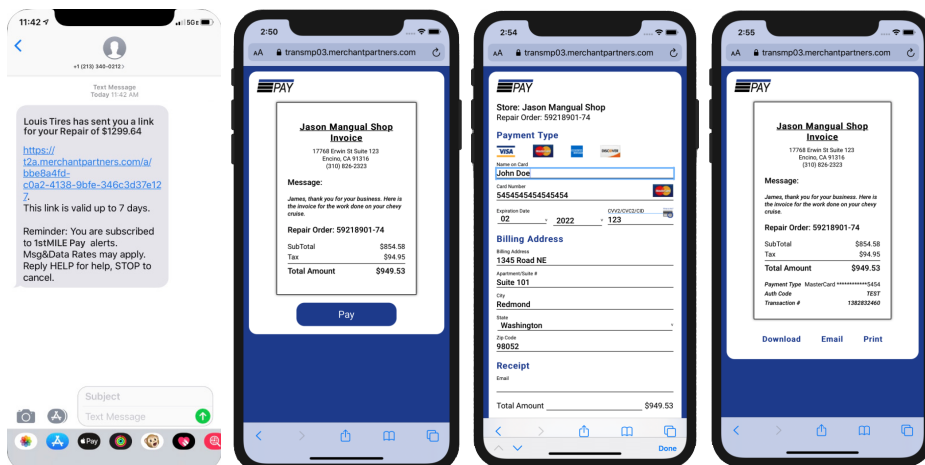

### How it Works

- Initiate the Text-to-Pay invoice in 1stMILE

- Your customer receives a text with a link to pay their invoice
- Your customer fills out their payment information, submits it, and you close the invoice in your point-of-sale
- 1stMILE makes it easy to view paid invoices
- Seamlessly Integrates into 20+ automotive point-of-sale systems

### What Your Customer Sees

### Key Benefits

- Ultimate convenience for customers and shops
- Keep your own processor or utilize 1stMILE's No Markup or Zero Interchange Processing (ZIP) to lower or eliminate processing costs
- Next Day Funding
- Secure Payments
- Convenient when customer not in shop (ex: allows after hours pickups)
- Give your customers an experience that's catered to their preferences
- Keeps your customers and staff safe during this period of social distancing
